- **Leadership:** Develop skills that will have a positive impact on families, schools, and communities.
- **Friendship:** Girls from different backgrounds learning, sharing and growing together.
- **Family Unity:** Our hope is to build stronger families.

Our Initiatives

Involve parents, schools, churches, businesses and sponsors. Making the community at large aware of our mission and of how they can become involved with Moda Real.

Hold weekly group meetings and various retreats. Emphasizing the important duality of internal and external beauty along with family values and virtues.

Host annual fashion show. The highlight of the year; the girls have the opportunity to show the powerful transformations they have undergone. It's their chance to really shine and exude the confidence they have gained as they walk down the runway in fashionable yet modest clothes.

Generate interest among members of the national girls program Challenge so they embrace their Moda Real projects. Raising awareness and interest among local schools and parishes with Challenge clubs and active Hispanic communities.

OUR MISSION

To nurture an integral formation for young Hispanic girls in order for them to achieve a balance of mind, body and soul that will enable them to become strong leaders and virtuous examples to all.

Moda Real's Background

Inspired by the very successful national program "Pure Fashion" and initiated by members of the Challenge Club from Holy Spirit Preparatory School, Moda Real ('Real Fashion' in English) began in 2006. Moda Real hopes to create a new generation of young Hispanic ladies better prepared to face the challenges of the adolescent years while promoting interaction with girls from different backgrounds and encouraging in them a strong desire to become true role models.

***The next Moda Real Fashion Show is scheduled for Sunday, May 9th, 2009
At Holy Spirit Preparatory School***
